Local Chamber of Commerce Has Visit From Drew, Tuesday

Former Niles Resident Is Now Mayor Of Sunnyvale

L. E. Smith, president, officiated in the chair at the weekly meeting of Niles Chamber of Commerce, held at the Florence restaurant, Tuesday noon, April 8. F. M. Drew, formerly of Niles, now mayor of Sunnyvale, was introduced by Smith, and gave a short talk.

J. E. Townsend, secretary of the Chamber, reported that plans for the annual Wild Flower show were completed for the opening of the show at one p. m., April 12. He also reported that already there were several inquiries received from people interested in the show.

Reverend E. C. Brinkmeyer, pastor of Niles Congregational church, reported that the Washington Union band fund committee stated that practically all of the Niles quota had been collected.

F. Vernon Jones, reporting for the Annual Banquet committee, stated that arrangements for this affair were not as yet completed but that another meeting of the Chamber would be called at an early date, final plans then being completed.

Harvey Braun was given permission to invite Senator Thomas West to be present at the next luncheon of the body as guest speaker. W. B. Kirk stated that George C. Roeding, Jr., would meet Mr. Meek, of the State Highway commission, and discuss the landscaping project for Niles in hopes of coming to some definite conclusion regarding the movement.

President Smith announced that a supply of census enumeration blanks would be left at the Florence restaurant for use of men who resided in hotels or rooming houses and were not at home during the day. This would greatly assist Mrs. Fern Mitte, enumerator for this district, in accurately accounting for each person in her territory.

A. J. Petsche, manager of the Pacific Gas and Electric company office, Niles, offered his assistance in arranging for lighting the band stand in this city for the concert, which is to be given by the Washington Union High school band, Friday night.

At this meeting of the Chamber there was the usual large attendance, though nothing outside of routine business was handled. A. J. Petsche was appointed membership chairman for the coming meeting.

Niles Girl Honored At Birthday Party

Mrs. George Rose, of Niles, entertained at a party in honor of the birthday of her daughter, Miss Evelyn Rose, Saturday. Following are those who attended the affair: Patricia Duffey, Olivia Foster, Theo Elliott, Susie Rose, Morton Springer, Jr., Marshall Green, Ralph Logan, and Howard Overacker.

Divertisements of the evening were dancing, singing and the playing of various games.

ED. ROSE SPEAKS AT MEETING OF CAR DEALERS

Ed Rose, owner of the Rose garages in Niles and Centerville, was principal speaker at a dinner meeting of the East Bay Chevrolet dealers, held at Hotel Oakland, Thursday night, April 3. W. J. Burns, zone manager, presided in the chair. Seventy Chevrolet dealers, from all parts of the territory, were present.

Mr. Rose spoke on the history of the automobile business and increase in percentage of sales. He also told of the showing made by the Rose garages, which are the leaders in the East Bay district; selling the largest percentage of Chevrolet motor cars for the territory they cover.

At present the Rose garage, Centerville, is demonstrating one of the latest model Chevrolets with an Atwater-Kent radio receiving set installed as additional equipment. This radio performs perfectly while the car is in operation, and reception is as clear as in a private home. The functioning of the car makes no difference whatever in the tone quality as presented by this popular radio receiver.

PLEASANTON MAN FIGURES IN FATAL AUTO ACCIDENT

Highway Walker Is Mortally Injured Near Livermore Saturday

One man was fatally injured and two others narrowly escaped injury Saturday when two automobiles collided on the Livermore road as their drivers swerved to avoid hitting a pedestrain. The highway walker, Martin Cody, 32, Hetch Hetchy worker, was caught between the two machines and so badly hurt that he died early Sunday morning in Three Links hospital in Livermore.

Hans Kamp was driving one of the machines which figured in the accident. J. D. Alexander, of Oakland, was the driver of the other car.

According to police Kamp and Alexander told them that Alexander in attempting to avoid running down Cody, swerved into Kamp's machine, and that Cody was struck by the car driven by Alexander regardless of the effort to miss him. Both automobiles were overturned and the drivers thrown clear, neither suffering other than bruises and scratches.

Kamp and Alexander removed Cody from the wreckage and flagged a passing motorist in whose car the injured man was taken to the hospital where he died a few hours later.

Cody was identified after his death, according to Deputy Coroner J. S. Reimers, of Livermore, by a fellow workman at Hetch Hetchy.

BOY SCOUTS WILL ATTEND MEETINGS OF NILES CHAMBER

Younger Generation To Learn Handling Of Civic Affairs

At the Tuesday luncheon meeting of the Niles Chamber of Commerce, President L. E. Smith suggested that First Class scouts of the local troop, No. 1, be invited to attend the luncheons of this organization. Smith explained that these boys range in age from fourteen to sixteen years, and that within the next four years they would be men, taking their places at the meetings as business men, and that it would be advantageous to them to attend the gatherings now and learn how local civic problems are treated by the present group, who will, in a few years, turn the management over to this younger generation. Also Smith stated that knowledge of business methods and procedure will make it possible for them to manage their own establishments more profitably and that contact with the business world would be beneficial to them.

Scout officials, commenting on this suggestion, stated that they believe this move of the Chamber of Commerce to be most generous, and believe it will prove to be of great benefit to each individual, and to the troop as a whole, in stimulating interest of boys in the community affairs, and raising the morale of the troop through contact with business men.

Niles troop of Boy Scouts, No. 1, in the past year has become one of the best in the county, and this progress was made possible by the co-operation of the people in this community. It is through such action as the Niles Chamber of Commerce has taken that the point of 100 per cent perfection, toward which the Niles troop is striving, will be reached.

Three Engines Assigned Niles By S. P.

Harvey Braun, Southern Pacific Railroad agent, reports that two helper engines have been assigned to Niles, and will remain until the middle of the next winter season. He further stated that a third engine would be brought here at an early date. The crews of these engines will reside in Niles, approximately ten men in all.

Mr. Braun also reported that a crew of men will begin repairing fences on Southern Pacific property soon, material for this work being ready for use.

PRE-CONVENTION MEETING HELD BY PARENT-TEACHER

Mrs. W. B. Reynolds, president of the Sixteenth District, California Congress of Parents and Teachers, announces that there will be a pre-convention meeting of the board of managers of the Sixteenth district at the Hotel Claremont, Berkeley, at 9 o'clock, April 28.

The reception committee will be headed by Mrs. G. T. Slaughter, president of Berkeley council, assisted by the other six presidents in the district. Mrs. G. Soderblom, president of Richmond council, has been chosen by Mrs. R. L. Wharton to present to the convention, Richmond's most distinctive piece of program work, "Better Homes Department Project."

ANNUAL NEWSPAPER EMPLOYEES PARTY IS GIVEN FRIDAY NIGHT

NORMAN H. PARKS IS HOST TO MEMBERS OF HIS STAFF AT FOX OAKLAND THEATER AND PEKIN LOW CAFE IN OAKLAND

By LLOYD H. RHODES, Manager Pleasanton Times.

WELL, CUSTOMERS, if you want to be sure of having a really delightful time, just get yourself invited to one of Norman H. Parks' parties, or have him arrange one for you.

This party we are speaking of was given by Mr. Parks for the employees of the Pleasanton Times and the Township Register last Friday night, and Saturday morning. Sure it was Saturday morning before the party thought of breaking up. The locale of the party was the Fox Oakland theatre and the Pekin Low Cafe, both in Oakland.

But there were too many good things happening before the party, to start telling you customers about it first. Right off hand we want to give you all a chronological account of what happened.

To begin with, the invited guests gathered at the office of the Township Register. Just how many we weren't able to say offhand, but estimate the attendance between one and one million, for we do know that we were there and that accounts for one. Just how everyone was going to get there seemed to be a question for a while as there were only seven or six automobiles and a couple of Fords, thanks to C. H. Waterbury, of the Dohner & Galbraith company of Centerville.

While the chawfers were trying to arrange the loading of their cars, about everyone set up the howl that they were hungry. Well, to be considerate, Lloyd H. Rhodes, of the Pleasanton Times, ankles up to the Mutual store and plunks out hard cash for some of that store's three-for-ten candy bars, only to find upon returning that those who were crying the loudest for something to eat turned up their noses at the offering.

Finally about thirty minutes after the scheduled sailing time the merry-makers took off for Alvarado and points north. We went sailing along behind the piloting of Mr. Parks for about five miles in the best of shape. Then a squall hit the party.

The squall yas Mr. Parks' coupe failing to respond to the accelerator as it should. It was a surprise to those following the lead car driven by Mr. Parks for it is a well known fact that he believes in speed limits—believes in driving the limit, not a mile faster or slower—and during this time his car was traveling about 25 per only.

Into a garage at Alvarado the entourage pulled. Nothing could be found wrong with the car and so we put forth again and trusted to luck. Oh, yes, in the meantime the craft piloted by Waterbury skirmished around Aivarado and located Miss Bernice Boyd, the Register correspondent there.

In the lead car with Mr. Parks

COUNTRY CLUB OF TOWNSHIP VOTES IN NEW MEMBERS

Meeting and Recepton to Be Held Tuesday, May 6th

A meeting of the Washington Township Country club was held Tuesday, and was opened by Mrs. W. Robie, president. Delegates were appointed to attend the state convention, which will be held in Oakland during the week of May 1. Following are the names of delegates: Mrs. Howard Chadbourne, Mrs. William H. Ford, Mrs. Roland Bendel, and Mrs. August May.

A nominations committee was also appointed; their function being to submit names of members for candidacy for various official positions in the Country club. Those appointed are Miss Nancy McKuen, Mrs. Roland Bendel, and Mrs. Garrett Norris.

Votes were cast for three new memberships, and those receiving them are: Mrs. C. H. Waterbury, of Centerville; Mrs. E. C. Grau, Niles; Mrs. Elmer C. Brinkmeyer, also of Niles.

Following the business meeting a social program was enjoyed. Mrs. R. Morton Madsen, of the Hill and Valley club, Hayward, was the speaker of the day, and she talked on the subject of the Naval conference; stressing the point that "If the conference fails in its purpose, poverty, to a certain extent, will be the result." Mrs. Madsen is a writer of reviews, and when giving a speech delivers it extemporaneously, preparing no notes whatever beforehand.

Musical entertainment was furnisheed by J. P. McClellen, in-

(Continued on Page 5)

CHAS. G. DAVIS TO SPEAK SUNDAY AT WILD FLOWER SHOW

"Nature Gave You a Wild Garden," Is His Subject.

A report has been submitted by the committee of the Niles Flower show, regarding developments concerning this annual affair. The committee has been fortunate enough to secure the services of Charles G. Davis, manager of the San Leandro Flower show, and he will deliver a speech at 2 p. m. Sunday, April 13; subject of his talk being "Nature Gave You a Wild Flower Garden."

There will be 100 varieties of flowers, and one group of these will be classified; classification being done by E. Dixon Bristow, principal of Niles Grammar school, assisted by his teaching staff.

Flowers for this show are to be gathered by two local groups of children, Camp Fire Girls, and Boy Scouts. A Kodak is to be given as a prize to the group obtaining the largest variety of wild flowers from this vicinity.

Palm Sunday Will Be Observed At Irvington

Palm Sunday will be appropriately observed next Sabbath at the Irvington Community church. This is one of the great days of the Church calendar, and John E. Moore, pastor, will deliver a sermon to the congregation that will carry a true message of hope and deliverance. Special musical selections will be rendered. All are invited to attend the services on Sunday, April 13, at the Irvington Community church.

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

NO MISTRESS AT $20 PER.

PAUL KELLY, home-breaker and murderer, charlatan and rogue, whom our parol board just recently turned loose, after a few months in jail, is doing comedy stuff on the New York stage. He draws but a paltry wage of $20 a week! Think of it, the parol board set a limit on the amount that he mght earn, and that limit a measly twenty bucks a week. No man can support himself on that sum; and how then can he support a mistress and have a refrigerator full of old wine and rare whiskeys? Maybe that is just what this high-minded body had in view—the regeneration of Kelly through the avenue of poverty. That was very thoughtful in these gentlemen. They are such outstanding examples themselves.

Say, boys, this is pretty rich!—the parol board as their brother's keeper!

And how about Dorothy? Has she been limited to ten or fifteen? If not, why not? The ratio is a fair one between the male and the female. But what woman can be virtuous on fifteen a week? No, certainly the board made no such provision for beautiful Dorothy, who looked on in drunken stupor while Kelly, now protege of the parol board, beat her husband to death. We imagine that this "hot mamma" was let out unconditionally. It would have been ungallant and ungracious to have told the picture actress that she must not do this or must not do that under penalty of being re-incarcerated in San Quentin. And the board is nothing if not gallant. So McKay, we opine, is free as the balmy air of California, and if she is not right this minute in New York with Kelly, we're a liar.

TOWNSHIP IS PROUD OF IT

IN A FEW weeks the American Legion memorial building, erected for the benefit of Washington Township veterans of the World War, will be dedicated. That will be an epochal affair both in Legion quarters and in the history of Niles.

While the building is located in this city it is a township institution, and while Niles is proud to be the home of this splendid edifice it in no wise claims it as its own.

The beauty and utility of the Legion's new home equals, if not surpasses, any institution of its kind in the state, judged on a basis of the relative population that it serves. This distinction may be credited to many forward-thinking men of the township; but particularly Supervisor Richmond must be thanked. He secured an enlarged appropriation that made the present handsome and commodious building possible.

A GREAT LITTLE CITY

TRACY IS A LIVE town—or rather city. We stopped there an hour or so last week, and were simply amazed at the growth during the past three years. Now that town did not just happen to grow. The people there made it grow. They cultivated the civic soil with the plow of co-operation; they sewed the turned furrows to the seeds of liberal municipal expenditures. They gambled, more or less, on their future—and won.

Any man might well be proud to say, "I live in Tracy."

'TIS A SHAME.

WHAT HAS become of this man we have lately become accustomed to call Christian? The man with this acquired cognoman is none other than the state senator from this great district of ours, we would have you know. We have not seen his name in public print for a coon's age. Has even his one newspaper champion in the district forgotten him and left him cold? 'Tis a shame—a dirty shame!

NEW CENSUS TO BE READY BY MAY 10

Niles Residents Giving Co-operation to Local Enumerators

INTERESTING FACTS

Census Bureau Reveals Highlights of Population Growth

Niles and all Alameda county will know its new official population by May 10, according to F. V. Jones, member of the Alameda County Census Commission; Mrs. Fern Mitte, Niles census enumerator; and Mrs. J. Cull, enumerator for the Washington Township's rural sections.

This was the date set by Fred Morcom, supervisor for the 1930 federal census for this district. While the date is tentative and the actual completed count may be later than that, every effort is being made by the enumerators, who began work Wednesday of last week, to have their work completed by the middle of the month.

If this is accomplished the tabulators will have approximately a month in which to compile their records. It was announced by Morcom that the figures will be given to the public as soon as they are known. Word has been received from the national census bureau that this permission had been granted. If it was necessary to await the final tabulations from the national bureau, several months time would elapse before each city and county would know its new population.

The government is spending $250,000 in this district to collect the census data. So far both Mrs. Mitti and Mrs. Cull report that the residents of Niles and Washington township are giving their support and aiding them in a pleasing manner.

"If the response continues during the future as it has this week, the census here will be completed within the specified time," Mrs. Mitte stated. Mrs. Cull reported practicaly the same, with the exception that she found many of the ranchers had not received sample census blanks and therefore required more of her time while they prepared the answers as required by the government.

"All have been very considerate," Mrs. Cull said, "even when giving me the information, required several hours of their time.

Eighty percent of the enumerators taking the census in this district are women, it was revealed this week, many of whom are wives of war veterans. Three hundred of the 353 enumerators for Alameda county are working in the urban districts, it was said. Thirty enumerators are covering the farming districts and twenty-three are working in individual institutions. It is estimated that more than 3,300 farms in the county will be visited.

Baby Each 13 Seconds

Some interesting information was revealed by Morcom in his report to the Census Commission at its last meeting according to Jones.

Morcom stated the figures show a baby is born in the United States every thirteen seconds and a death occurs every twenty-three seconds. Every minute an average of "one and one-half" immigrants enter the country. One leaves every five minutes. The national growth is 1,000,000 persons annually, his figures show.

CENTERVILLE IN DEFEAT ON NILES BASEBALL FIELD

Niles Grammar school baseball team played a game against the Centerville Grammar school team on the Niles field, Tuesday afternoon, April 8, and defeated the visitors by a score of 12-2. This was the first game played on the home field this season and it also inaugurated the rooting section of Niles.

Yell leaders elected by the student body of the Niles Grammar school are: Eva Heyers, Gordon Justus and Jackson Townsend. A lot of good school spirit was imbued into the players as a result of earnest endeavors of the yell leaders in directing the rooters.

PERSONAL ITEMS

E. Edelsten, of Seattle, Washington, was a visitor at the home of Mr. and Mrs. Charles Hiser, Sunday. Mr. Edelsten plans to enter the advertising field, in San Francisco, at an early date.

Centerville—Four-room school building erected on grounds of Centerville Grammar School.

GOODYEAR TIRE COMPANY BUILDS NON-RIGID SHIP

"Construction of the 127th non-rigid airship manufactured by the Goodyear Tire & Rubber Co., of Akron, Ohio, has been started and it will be launched early this spring, officials of the company have announced," says Mr. Ed. Rose, Goodyear dealer at Niles and Centerville.

More than 100 of the non-rigid airships constructed in the Goodyear factory have been placed in the military service for the United States army and navy. In addition to these dirigibles, Goodyear has built 903 captive observation and barrage balloons and one semi-rigid airship, 58 rigid airship gas-cells, 105 spherical racing and training balloons and 2,000 advertising balloons.

"The Goodyear company has pioneered in the development of lighter-than-air transportation in this country," says Mr. Rose, "and now has under construction at Akron, the first of two giant rigid-scouting ships for the navy, the ZRS-4. The ZRS-4 and its sister ship which will follow it in construction, will be of 6,500,000 cubic feet capacity, twice the size of the Graf Zeppelin and 1,000,000 cubic feet larger than will be the remodelled R-101 owned by the British government."

Goodyear contributes further to the aeronautical industry as one of the leaders in manufacturing of airplane accessories, including the Airwheel, a super-balloon tire which greatly facilitates air plane landings and take-offs.

Alvarado News

By BERNICE BOYD

REDS OF MODESTO ROUTED BY LOCAL PLAYERS, SUNDAY

Alvarado's baseball team christened their new suits furnished by the Leslie California Salt Company, last Sunday. The team went to Modesto, where they met and defeated the Modesto Reds.

This game was most exciting; the score remaining a 0-0 tie until Alwin Searles, right fielder for the Alvarado team, hit a homer, in the fourteenth inning, making the final score 1-0. The batteries were as follows: Modesto—Enos and Darling; Alvarado—Roderick and Jacinto.

Searles' home run was the first ball to be hit out of the Modesto ball park for two years. Over seventy-five baseball fans from Alvarado and Washington township accompanied the team, and cheered them on to their glorious victory.

A large number of the fans wore white rooters sweaters with "L.S." in red letters, representing Leslie Salt works.

SCHOOL STUDENTS TO PRESENT PLAY OF MYSTERY SOON

Children of the Alvarado Grammar school are practicing for an operetta, "The Mysterious Monster," which is to be given on May 16, in the school auditorium.

Baseball Equipment.

The boys' baseball team now have all of their athletic equipment, which includes new suits and gloves. With this splendid new equipment they are all ready for some real hotly contested baseball games.

WHIST PARTY BY PARENT-TEACHER CHAPTER MAY 1st

Alvarado Parent Teachers Association met at the Grammar school on Thursday, April 3. One of the main topics discussed was a whist party to be held in the school auditorium, on May 1. The auditorium will seat approximately 300 at card tables, and from all indications it is going to be packed. There will be many beautiful prizes, including a door prize. Refreshments will be served.

It was also decided at this meeting that the children of the school who are under weight should be given milk and graham crackers daily.

Mr. and Mrs. L. J. Mayer, of Alvarado, spent Sunday in San Francisco, with friends.

* * *

The Post Office building in Alvarado is being remodeled and painted.

* * *

Mrs. Olive Lemas entertained a large group of friends at her home in Alvarado last Sunday.

* * *

Mr. and Mrs. J. Correia, of Alvarado, entertained approximately thirty guests at a party, Tuesday evening, for their daughter, Miss Emiley Oliveira, honoring her eighteenth birthday.

PLEASANTON - CENTERVILLE STAGE LINE DISCONTINUED

Stage service between Pleasanton and Centerville was discontinued Sunday, April 6.

The Peerless Stage Company has been running this line at a loss for some time and at just a recent date decided to discontinue it entirely.

Mr. and Mrs. F. Vernon Jones motored to the Santa Cruz mountains over the week-end.

Mr. and Mrs. Rinaldo Cozzi, and son, Ronald Eugene, attended a party given in honor of the birthday of Mrs. Henry Zabellos, at her home in Hayward, Sunday.

Mrs. M. C. Chute, formerly of this community, and now a resident of Berkeley, is planning an extended trip to the eastern states, and expects to leave at an early date.

Mr. and Mrs. Frank Duarte, of Hayward, will move to Niles sometime during the coming week. They will establish their home in the former J. S. Avila residence, on Second street. Mr. Duarte is employed at Duarte's market.

Mr. and Mrs. William Mendoza, of Decoto, and Mr. and Mrs. Arthur Duarte, of Niles, motored to Monterey and Watsonville Sunday.

Mr. and Mrs. J. D. Gomes, and Mr. and Mrs. Ralph V. Richmond motored to Calistoga and Adams Springs, Lake county, Sunday.

New Gasoline Pump At Niles Service Station

Dan Marble, owner of the Niles Service Station, has installed a new gasoline pump, an Erie meter model, at his place of business on Main street. The new pump replaces one of the practically obsolete hand pumps, and makes a more rapid service possible.

"MONTANA MOON" SHINES ON FOX SCREEN APRIL 11th

A stampede of love, laughter and adventure is headed for the Fox Oakland theatre screen Friday with "Montana Moon," Joan Crawford's second all-talking picture.

The fiery flapper of "Dancing Daughters" still needs taming in this glorious dude ranch romance. As the thrill-seeking daughter of a New York millionaire she casually drops off the train in Montana, runs into a cow puncher and decides she likes him. But the untamed tactics that shocked an Eastern smart set have a different effect on her Western hero. He's Johnnie Mack Brown and he's worked out a tough technique on bad men and ornery steers. He tries it on Joan, the sparks start flying and a ripping-ly good story gets under way.

Mel Klee, celebrated black-face comedian, will take on the duty of ceremonies master for Fanchon and Marco in their stage review, "Broadway Venuses Idea." The sixteen beauty winners of the New York Graphic contest will be featured in a glorious pageant colored by specialties and the music of Hermie King and his band. Such a display of gorgeous face and figure seldom has been seen in any one stage production.

SHERIFF M. DRIVER DELIVERS SPEECH BEFORE CHAMBER

Centerville Chamber of Commerce weekly luncheon meeting was held Thursday, April 3, at the El Lido restaurant, and Judge Allen G. Norris, chairman of the day, presided.

Sheriff M. B. Driver, of Oakland, and Under-Sheriff H. M. Springer were guest speakers. Their subjects were general condition of affairs now existing in the sheriff's office, and its management.

The committee appointed to raise Centerville's quota for sending the Washington Union High school band to the state contest at Sacramento, May 26, reported progress in getting the required sum of money. One thousand dollars is the amount estimated as necessary for sending the band members to the contest.

E. B. Hodges, principal of the High school, reported on the band concert, which was later given at the High school, the time being Saturday night, April 5th.

An announcement was also made that at the coming meeting Senator Edgar Hurley would be the guest speaker, and his speech would deal with the handling and disposal of state finances. F. T. Dusterberry, president of the chamber, will preside in the chair at this meeting.

Southern Pacific Co. Makes Repairs

Paving on the Main street of Centerville progresses nicely and by the end of April should be completed, so the report made by Wm. Brockett, resident engineer states.

By Saturday night it is estimated that the west side of the street, south of the railroad tracks, will be finished; making a total of 16,000 lineal feet completed. Measurements made Monday, April 7, showed that 7,512 square feet of concrete have been laid so far.

A large crew of men, hired by the Southern Pacific Railroad company, is working on the crossing in Centerville, and it is expected that repairs and reconstruction will be completed by the time paving is finished, supposedly at the end of April.

ANNUAL MEETING OF DAIRYMEN IS AT CENTERVILLE

Gold Cup For Best Herds Is Won By Vargas and Mendonca

El Lido restaurant, Centerville, was the scene of the annual meeting of the Alameda-Santa Clara Counties Cow Testing Association, which took place Wednesday, April 2. Supervisor Ralph V. Richmond welcomed the members in behalf of Alameda county, and gave a review of his trip east to the national and international dairy shows, last fall.

On behalf of Centerville and Washington township, Frank Dusterberry, president of Centerville Chamber of Commerce, gave a speech of welcome. It was at a meeting of the Centerville Chamber of Commerce that the idea of forming an association of this kind was first conceived in a conversation between Mr. Dusterberry and Farm Advisor Morrison, of Hayward.

The principal speaker of the meeting was Edward Gordon, of the University of California Extension service.

Carl Zwissig, of Niles, presided as chairman of the meeting. Aside from his acivities in the association, Zwissig is also a member of the board of directors of Alameda County Farm Bureau.

Directors of the association elected were Carl Zwissig, of Niles; Joseph Costa, of Pleasanton; Joseph Holdner, of Mt. Eden, and M. Vargas, of Santa Clara.

Among the prominent visitors at the meeting were M. Roth, of California Dairy Council; Colonel Robson, dairy direcor of California Farm Bureau; M. Stoggard, livestock editor of the Pacific Rural Press; A. Griffin, of the Oakland Healh department; Professor Hunt, of University of California, and Farm Advisor Morrison, of Hayward.

The gold loving cup, awarded for the dairy herd making the best showing, by highest score, went to Vargas and Mendonca, of Santa Clara.

Blue ribbons for butter fat averages were won by herds owned by Joseph Holdner, Spring Valley Water Company, and Zwissig Brothers. Certificates awarded by the National Dairy Association were received by Spring Valley Water Company, Joseph Holdner, Zwissig Brothers, A. J. Braga, Ennis Brothers, College Park Dairy, George Enos & Company, M. Lopes, Vargas & Mendonca, and Ben Mozetti.

WASHINGTON TRACK TEAM VICTORIOUS AT HAYWARD MEET

Local Boys Defeat Hayward First Time In Five Years

Washington Union High school baseball players, were again victorious; winning the game played with Richmond High school team at Washington, Tuesday afternoon, April 8. Final score showed Washington's team in the lead, 5-2. Exceptionally fine performance seemed to be the order of the day, and baseball fans, rooting for Washington boys, were not to be disappointed.

As the standing is now, Washington has a very fair chance to place first in the Alameda County Athletic League, as it is one game behind the leaders at the present time.

Washington Union High school athletes defeated the Hayward High school track team at a meet held Saturday, at Washington Union High school, by a score of 62-60. This was the first meet won by Washington boys in five years, and the whole student group of the school rejoiced at such a gloriously won victory. Billie Dick, star athlete of Washington, competed with Waterman, Hayward's star, and made two runs to victory in the 100 and 220 yard sprints. Waterman is well known in school circles as being exceptionally fast on the track, and Dick's triumph over him was indeed a feather in the cap of Washington.

On Monday, April 7, Washington's B track team competed with Hayward High school, on Hayward ground, and was defeated by a score of 54-58. Before the meet in Hayward a rally was held at Washington Union High school; taking place first period in the school auditorium. Thunderous cheers reverberated throughout the building as the victors of the Saturday track meet took the floor, and a meeting unusually high spirited and exciting followed. Speeches were made by track athletes, and members of the ball team also gave brief talks. Following are the

(Continued on Page 8)

WELFARE LEAGUE MEETING APRIL 3 IN CENTERVILLE

Reports of Finances Given And Situation Discussed

The regular board meeting of the Welfare League was held on Thursday, April 3, and was opened by President E. Burr, of Hayward, and Mrs. Lula Boyd Stevens, executive secretary. There were representatives from Hayward, Niles, Pleasanton, Sunol and Centerville present. Everything was conducted on business routine.

Mrs. Stevens gave a most interesting report on the financial standing of the children's department. For the first time there was something to reduce the deficit, and all the small leaks were being located. The dairies responded to an appeal for lower rates on large quantities of milk products. Even the barber's union had been approached. It was with pleasure, the officers found, that the washing machine was paid for. Three gentlemen, who modestly did not wish their names mentioned, donated $60 to pay for the machine. The buying of linoleum and an electric sweeper was considered.

Individual cases of children needing attention were brought up and discussed in a kindly manner. Mrs. Stephens told how almost 75 per cent of these children make good. She had interested the Hayward Union High school girls and in response the sewing class had sent in twelve boys' shirts, and six dresses that would make any girl's hear glad this Easter. Mrs. Richie. of Hayward, sent a number of hats to go with the dresses. The girls have responded so happily to Miss Stevens' talk that it was hoped she would give one before the Union High school girls of Centerville soon.

It is well to open our hearts to the unfortunate children. They are alone, friendless, orphaned—through no fault of theirs. There are girls with ambitions that should be encouraged and boys anxious to make good. Who wants a seventeen-year-old boy to help them? The time has arrived when this lad wants to work. He would like to do farm work. Isn't there a place for him somewhere near Centerville?

Mrs. T. E. Chadbourne, who will soon leave on a trip to the east, will be the guest of honor at a party to be given by Mrs. W. L. McWhirter.

***

Mrs. J. Sterling, of Seattle, has been the guest of Mrs. S. Waldron this week.

CHEVROLET

It's wise to choose a SIX!

It is wise to choose a six-cylinder motor—the only way to get six-cylinder smoothness. Six-cylinder smoothness takes out vibration and roughness. This saves motor, chassis, body, passengers, *and driver*.

The Chevrolet is a six. Yet it sells at a price that anyone can afford to pay. And it lasts longer, because of fine materials, oversize parts and a big, smooth, 50-horsepower six-cylinder engine that always "takes it easy."

With all its six-cylinder smoothness and power the New Chevrolet Six saves gasoline and oil, through modern efficiency—overhead valves—high compression power—latest carburetor—long-wearing pistons—crankcase ventilation—air cleaner. Thus Chevrolet brings truly modern transportation within reach of all who can afford any car. Chevrolet economy also means sincerity in manufacture. To illustrate:

Chevrolet valves are adjustable—to save replacing. Chevrolet molded brake lining greatly reduces brake upkeep. The rear axle inspection plate on the Chevrolet means accessibility. The whole car is full of such evidence that true economy comes from advancement and refinement. There are four extra-long, chrome-vanadium springs controlled by hydraulic shock absorbers. They are mounted lengthwise, in the direction of car travel, with self-adjusting spring shackles to maintain quiet.

Modern low suspension and extra wheelbase give the Chevrolet Six good proportions. The front view is distinguished by the honeycomb radiator. The gasoline tank is at the rear for safety and finer appearance.

Chevrolet beauty instantly says "Body by Fisher"—style, quiet, safety—Fisher composite steel-and-wood construction—non-glare windshield—adjustable driver's seat—deeper cushions—greater leg room—clearer vision—finer fabrics and fitments.

There is just as much extra value throughout. BY ANY STANDARD the Chevrolet Six is the wisest choice in the low-price field . . . with its six-cylinder valve-in-head motor . . . with full scientific equipment . . . with Body by Fisher . . . with four long semi-elliptic springs, long wheelbase, low suspension, rear-mounted gasoline tank, honeycomb radiator and all the other features of this day and age.

BOY SCOUTS TAKE TRIP TO NILES CANYON

The local troop of Boy Scouts, under the guidance of their assistant scout master, Louis Ruschin, Jr., spent the week-end in Niles canyon, at Sims. Troop members left Newark Saturday evening, at 5 o'clock; going direct to Sims, where they prepared their camp for the night. A large campfire was built, and the evening was spent sitting around it, singing Scout songs. The main feature of the evening's entertainment was the initiating of Carl Nordvick into the "Royal Order of Snipe Hunters." Nine o'clock found everyone in bed, made on the ground, in the open.

Five o'clock Sunday morning found everyone up again, "rairin' to go." After a hearty breakfast the boys left Niles canyon; riding up to Geary's ranch, where they started on one of their famous hikes; going eight miles up through the hills, and arriving back at Geary's at 12:30 p. m., where they prepared and ate another meal. Soon after they started the return trip to Newark, a tired but happy crowd of boys. They enjoyed themselves, and all are planning another such outing to take place in the near future.

Mr. and Mrs. John Ward left Monday for Vallejo, where they will establish their home.

"HONEY" SWEETENS T AND D THEATER PROGRAM FRIDAY

Sweeter than "Sweetie," is Nancy Carroll's new and lovable romance, "Honey," slated for the talking screen of the T. & D. theatre, Oakland, Friday. A happy choice of cast permits Stanley Smith to play Nancy's sweetie again, and Skeets Gallagher, Lillian Roth, Zasu Pitts and Harry Green make the most of riotous comedy roles. Little Mitzi, nine year old screen sensation, is cast as the prying youngster who sells the household secrets at five dollars apiece.

"Honey" introduces the red-headed star as the daughter of a poverty-stricken Southern family. In order to pay off the mortgage on the family mansion she rents it to a wealthy widow from the East. The original play has been seasoned with sundry sparkling musical numbers, among them "Sing, You Sinners," "Let's Be Domestic," and "What Is This Power I Have?"

CHANGES MADE IN LINE-UP FOR Y.M.I. BALL CLUB

On paper the Pleasanton Young Men's Institute baseball team appears to be the best ball club ever representing that organization. The lineup of the Y. M. I. squad has been slightly changed for the better apparently and as announced this week by Jack Marsh, manager, the squad will have steady fielding, hard hitting and good pitching.

Manager Marsh and Assistant Manager Mongoia have been working hard the past few weeks building up their ball club to a point where it will furnish real opposition to the high class clubs it is scheduled to meet this season.

First Game Scheduled

The opening game will be played at the grammar school grounds Sunday, April 13, against the highly touted Concord nine. There will be a parade preceding the game and a short opening program at the field.

In their efforts to give Pleasanton a first class ball club, the Athletic Committee of the Y. M. I. is working hard to procure the best of players. So many teams have sought games with the Y. M. I. that it is a hard job sorting out the teams which will furnish the locals with the right kind of opposition considering the strength the Pleasanton squad apparently has.

Lineup Announced

The following is the line-up selected for the opening game two weeks from Sunday:

Florence, left field; Grovenor, center field; McGlinchy, second base; Stomisch, shortstop; Grant, third base; Mongoia, right field; Fugi, first base; Dutra, catcher; Rodnockner and Pouss, pitchers; and Viada and Marsh, utility.

RECKLESS DRIVING IS MAJOR FACTOR IN MOTOR WRECKS

Reckless driving is one of the major factors contributing to automobile accidents on the streets and highways of California. This statement is made today by Mrs. J. R. Whipple, local chairman for the Safety Conference of the California State Chamber of Commerce.

Mrs. Whipple states that according to Section No. 121 of the California Vehicle Act, dealing with reckless driving: "Any person who drives any vehicle upon a highway in so negligent a manner as to indicate either a wilful or wanton disregard of the safety of persons or property, shall be guilty of reckless driving, and upon conviction shall be punished by imprisonment in the county jail for a period of not less than five days nor more than ninety days, or by a fine of not less than $25 nor more than $250, or by both such fine and imprisonment."

During the April campaign conducted by the Safety Conference, it is stated that the police departments and all official law enforcement agencies in California, as well as chambers of commerce and local safety committees in all communities of the State, will lend their cooperation in stressing this phase of the autamobile accident evil.

"The slow driver," states Mrs. Whipple, "can be as reckless as the fast driver. Driving on the wrong side of the road or street, cutting corners, cutting in, showing off, and giving incorrect signals, are in the category of faults of both fast and slow drivers. Ignorance and lack of 'driving sense' are the chief contributing factors of reckless driving, which points to the need of a continuous educational campaign on this feature of safety. We are making an appeal to all citizens of California, not only to check their own driving with particular regard to recklessness, but to watch and to caution any other motorist who is disregarding, either through ignorance, or wilfully, any of the safety factors in driving an automobile."

MORE ON Country Club of

strumental instructor of schools in this district, who played two trombone solos; accompanied on the piano by Mrs. M. Foster, also a music instructor locally.

The next meeting of the club will be on Tuesday, May 6, and reports of chairmen of various committees will be given. A reception will be held following the business, in honor of the three new members.

Mrs. E. J. Farrington and son-in-law, J. W. Meyers, of Niles Canyon, visited in Oakland, Wednesday.

Mrs. F. P. Sherman and family, of Centerville, spent Wednesday at the home of her sister, Mrs. J. W. Meyers, of Niles Canyon.

MORE ON Annual Newspaper

(Continued from Page One)

was Mrs. Parks and Miss Laura Dutra, sitting together. In the rumble seat were Frank Ferry and Eva Roger, at least they were supposed to be there, but for the most part they were out of sight to those in the trailing cars. Miss Rogers is the correspondent from Mission San Jose; and Ferry handles the mailing department of the Register.

In the second car were Waterbury and Mrs. Virginia Burrington occupying the front seat. James Gieb and two lady friends, held down the back seat.

Some place in the procession was the car containing Mr. and Mrs. H. A. Johnson of Sunol; Miss LaMoine Clark of Pleasanton, and Lester Narvaez, of Niles. Bringing up in the rear, as always, was the remainder of the Pleasanton outfit, Lloyd H. Rhodes and his Missus, and brother, Donald F. Rhodes.

The procession continued without mishap until Oakland was reached. Then the trouble began as half the drivers did not know just where they were going, being from the country. All manner of speed limits were broken by the various shawfers in trying to keep up with the entourage. (5llsuMi seescmfwyp shrdlu sh Finally the party became divided into three groups. Two members knew exactly how to get where and when, the third failed entirely to know what was what and why. The seven persons in this group did not arrive at the Fox Oakland until after all the others had about worn out their patience waiting for them and were beginning to think about sending out searching squads.

Well, folks, we are now at the doors of the theater after a delightful trip. Here began the round of untold pleasures. The management of the Fox Oakland extended themselves to make we members of the party comfortable, and Mr. Parks has asked the writer to be sure to extend his thanks to the Fox Oakland for the consideration given his party. These thanks are especially due inasmuch as the Fox Oakland had a crowded house that night.

The show at the Fox Oakland was delightful, the georgeous stage offering in particular, not to say anything of a highly entertaining and amusing screen production.

Oh, goodness gracious, we almost forgot to tell you customers that Orville Blose joined the party in Oakland, and with the number of friends Orville has in southern Alameda county, we would be committing a fau paux to forget him.

After the theatre the party adjourned to the Pekin Low Cafe located at the corner of Seventh and Franklin streets. Font Don, the manager, was as good as his word and had the banquet table all laid out and the musicians keyed up for the occasion. We were given our choice of a Chinese or American dinner. No matter which one took satisfaction was the result for the Pekin Low chefs certainly know their stuff when it comes to the cullinary arts.

Dancing began at once after we arrived at the cafe. Everyone was getting hungry, to be sure, but the music was captivating and even during the dinner the couples were continuously leaving their dinner to dance.

The orchestra had arranged the giving away of two prizes that evening. Each person in the cafe was given a ticket. Orville Blose of our party held the lucky number and received a silver smoking set. He ought to get enough out of it to keep him in dinners for a few days, and he ought to, too, for he doesn't use nicotine in any shape or form.

The merry making continued until the wee small hours of the morning, and when everyone was about as tired as they could be, and still keep awake, adjournment was called with three rousing cheers being given for Mr. Parks, and hopes expressed that all would be there for next year's party.

Mrs. F. O. Bunting, Centerville correspondent, was unable to attend the party because of a temporary illness.

In conclusion the writer has been asked to express the appreciation of Mr. and Mrs. Rhodes to Miss M. O'Connor for her kindness in keeping Lloyd H. Jr., on the night of the party thereby making it possible for Mrs. Rhodes to be present.

NEW ICE REFRIGERATORS FOR OLD ICE BOXES . . .

OUR old ice box should be replaced at once with one of the remarkably efficient new ice refrigerators—modern in design—beautifully finished in gleaming white or pastel shades—it will be an adornment to your kitchen and a real joy to own.

These new ice refrigerators are scientific in construction and insulation. Columbia University cooperated with the manufacturers in designing them. They provide generous storage space and amply low temperatures (less than 50°) yet use surprisingly little ice.

Your ice man sells them on easy terms—and will make a generous allowance on your old ice box. And the best news of all is the low prices, for, by buying in immense quantities your ice man is able to offer 1930 models at $25 to $65—about half what you paid for your old style ice box.

Ask your ice man about them today. Remember, only ice gives constantly circulating clean, washed air that carries away odors and impurities, and preserves the freshness of food.

OCAII 1930 30-3

DRIED FOOD — UGH! If you want to keep your foods flavory, sweet and juicy — your salads crisp and green — don't be tempted to buy a substitute for ice refrigeration —or you'll surely regret it. Only ice refrigeration keeps food at its best.

Irvington Girl Feted At Birthday Party

Mr. and Mrs. George Rose, of Irvington, were hosts at a birthday party, Saturday evening, in honor of their daughter, Miss Evelyn Rose. Twelve guests were present, and passed the evening with games and dancing. The dinner table was beautifully decorated with Cecil Bruener roses and satin ribbons; garlands of wistaria festooned the walls.

Mrs. D. Colby, of San Francisco, is visiting friends in Irvington.

Dohner & Galbraith Auction Cars at Hayward, Friday

An interesting automobile merchandising event will take place in Hayward next Friday night at 7 p. m. when Dohner & Galbraith local Ford dealers at 825-843 "A" street, stage their muchly hearlded used car auction sale. It is reported that so many of the new Fords have been sold in this region that the used car department is overcrowded and the auction is a gesture to alleviate this congested condition, thereby offering residents of this community an unusual opportunity to buy high grade cars at their own prices. There will be 50 cars offered on the block and it is said that many of them have recently been reconditioned and repainted to sell at much higher prices than those they will go for on Friday night. The sale starts promptly at 7 p. m. and is for one night only. All of the cars are now on display at their show rooms, 825-843 "A" street, Hayward, where they may be demonstrated and tested. None will be sold until Friday night.

It was announced that the same easy terms and the same assurance of quality and satisfaction characteristic of a private transaction will attend each sale. The auction will be conducted by W. R. Stone Auction Company, Inc., founders of the used car auction system, endorsed and used by the nation's largest automobile distributors and dealers. The Stone organization is one of the leading and most reputable firms in the world, and is especially noted for its interesting auctioneers who are well informed in the automobile business and who, also, inject many humorous touches into their talks. Arrangements for the accommodation of a large attendance have been made. Predictions indicate that it will be an automobile merchandising event that will set new low price levels for the state.

"HOT FOR PARIS" ON SCREEN NOW, NILES THEATER

Thursday, April 10, (tonight), the Niles theater features Victor McLaglen and Fifi Dorsay in "Hot for Paris," an all-talking picture. Saturday, Alan Hale and Josephine Dunn will cavort across the screen, talking and singing to you, in "Red Hot Rhythm."

Sunday and Monday, Warner Baxter, the manly hero of many a girl's dream, will give excellent entertainment in the all-talking vehicle "Such Men Are Dangerous." These pictures are entirely of the type and class that will not fail to interest and intrigue the audience. The programs outlined offer many pleasant hours, and in addition to the features many short news and comedy subjects will be presented.

BOOTH SPINACH OUTPUT TOTALED AT 45,000 CASES

F. A. Bishop, superintendent of Centerville branch of the F. E. Booth canning company, reports that in the last canning run, continuing for three weeks, 1,013 tons of spinach was canned. This amount totalled exactly 45,000 cases of the vegetable. In all 450 people were employed for the duration of the run. The larger portion of the spinach canned this year came from Alvarado, and immediate vicinity.

Canning will be started again about June 1, when the fruit season begins with cherries, followed by apricots, peaches, and pears. The last run of the year will take in tomatoes, canning of which takes place about the middle of November.

Joe White Suffers Arm Laceration In Accident

Joe White, Pleasanton, suffered a severe laceration on his right arm at the elbow Friday evening of last week when his automobile turned over on the Dublin Canyon road near the Dublin Inn.

White's arm was forced through the window of the car as the vehicle rolled on its side. White stated that he apparently dozed off for a second and was unable to right the machine before it hit the ditch after the first bump brought him wide awake.

Why not plan an *all-electric* kitchen?

The electric range cooks automatically

A beautiful electric range harmonizes with any decorative idea you have for your kitchen. The cleanliness of the electric range keeps your kitchen immaculate.

And how the electric range improves cooking! Delicious food cooks automatically without you "watching" in the kitchen.

The new electric range is speedy. Improved cooking elements make electric cooking as fast as gas cooking.

Why not come in and see the beautiful, new porcelain enameled electric ranges at our office?

All the hot water you want—at a turn of the faucet

What could be finer than an all-electric kitchen?—with its modern electric range and an automatic electric water heater.

The electric water heater keeps an abundant supply of hot water ready for instant use, day and night.

An electric water heater, when used with an electric range, heats water for one-third to one-half of a cent per gallon! So little to pay for this modern comfort. And a clean kitchen.

Why not also see the electric water heaters at our office? There are many models to choose from.

LYNCH IS FREED OF CHARGES IN COURT TUESDAY

Pleasanton Judge Orders Assault Count Dismissed.

Ray Lynch, of Livermore, was freed of charges of assault with a deadly weapon upon the request of Harry Stiles, representing the district attorney's office when the case was presented before Judge Wm. T. Davis, at Pleasanton, Tuesday morning. Lynch also was to have appeared before Judge P. C. Quinn. also of Pleasanton, to answer to a charge of disturbing the peace, but the prosecuting witness, John Mederios, withdrew the charge.

Lynch was arrested on a warrant charging him with having shot and wounded Tony Fernandos on the night of March 16. Evidence tended to show that Lynch was guarding the home of Marian Amaro, at the latter's request, following the annoyance of the family by some one prowling around the Amaro grounds on several occasions.

Fernandos was shot through the left hip when he was seen on the Amaro premises after dark. The wound was a superficial one and did not cause Fernandos any great amount of pain it was said.

After hearing the following witnesses Attorney Stiles moved for the dismissal: Tony Fernandos, Joe Fernandos, Myron Amaro, Louis Ashe, and John Mederios.

Lynch took the stand and told a straight forward story of the events leading up to the shooting. After hearing the defendant's story, Judge Davis concurred in the plea for dismissal and ordered the case so disposed. Lynch's bond money and automatic, which was held as evidence, were ordered to be returned to him.

Electors Re-Name Incumbents for School Trustees at Pleasanton

H. P. Mohr, T. H. Green and Mrs. R. F. Blacow Are Retained in Positions

All three school board trustees were re-elected at the school election held last Friday in Pleasanton. H. P. Mohr and T. H. Green were named for the Amador Valley Joint Union High School board; and Mrs. R. F. Blacow to the Pleasanton Grammar School board.

The candidates were unopposed and it was said that no names were written in on the ballots. All were elected for three-year terms.

There were thirty-eight votes cast in Pleasanton and approximately the same number in the other precinct for the high school election.

HIGH SCHOOL ONCE AGAIN IS ENTERED

Thugs Loot Pleasanton Chemistry Laboratory Damage Books

ELEVENTH THEFT

No Clues Discovered To Identity of Any Person In Burglaries

For the eleventh time in the history of the school, Amador Valley Joint High School, Pleasanton, was ransacked during the past week-end according to Principal R. O. Moyer.

Two entrances into the school were forced during the past week, it was said.

Those breaking into the building the first time last week did not steal anything, so far as the faculty has been able to ascertain, but on the last burglary the chemical laboratory was stripped of all the ingredients of nitroglyerine.

THROW BOOKS AROUND

During the previous breaking, the culprits contented themselves with throwing books from the desks and generally making a muss in the study halls, but apparently took nothing.

Entrance was gained by one set of burglars by removing two panes of glass from the rear door, reaching through the opening and releasing the latch. It was not discovered how entrance was gained by the thugs who looted the chemistry laboratory Saturday night.

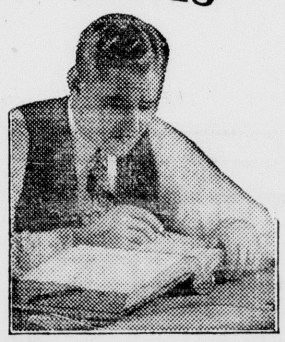
Among the things taken were sulphuric and nitric acid, glycerine, retorts, test tubes and tubing; and the school's entire supply of chloroform.

Never Caught

Not once have the burglars ever been apprehended, Principal Moyer stated.

Several methods of attempting to put a stop to the burglarizing of the high school have been considered by the school trustees, but as yet they have not come to agreement upon which of the systems to adopt permanently.

OVER WORKED NERVES



UP TO your ears in work—every nerve at high tension. No wonder you snap at the wife and bark at the children.

Watch out! Overworked nerves may lead to Sleeplessness, Nervous Headache, Nervous Indigestion and a host of other unpleasant disturbances. Why don't you try **Dr. Miles' Effervescent Nervine Tablets?**

Just one in a half glass of water makes a pleasant, sparkling drink delightfully soothing to over-taxed nerves.

Dr. Miles' Nervine is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically.

NOTICE OF HEARING OF PETITION FOR ABANDONMENT OF A PUBLIC ROAD

NOTICE IS HEREBY GIVEN to all freeholders in Washington Road District, Washington Township, Alameda County, California, that Tuesday, the 22nd day of April, 1930, at the hour of 10 o'clock A. M. of said day at the meeting room of said Board of Supervisors of Alameda County, in the Annex of the Hall of Records of said County at the southeast corner of Fifth and Broadway Streets, in the City of Oakland, County of Alameda, State of California, have been fixed and appointed by the Board of Supervisors of the County of Alameda as the time and place of the hearing of the petition of certain residents of said road district for the abandonment and vacation of a portion of a public road in said Washington Road District, which portion sought to be abandoned is hereinafter described, when and where any person interested may appear and give evidence in favor of or against the proposed vacation and abandonment as petitioned.

The portion of said road so sought to be abandoned is described as follows, to-wit:

Commencing at the most Easterly corner of lot 12 in Block E, as said lot and block are delineated and so designated on that certain map entitled "Map of Subdivision of Blocks E-F and G Mary E. Mortimer Addition to Niles Alameda Co. Cal." etc., filed March 15, 1909 in the Office of the Recorder of Alameda County, California, and running thence along the Northeasterly line of said lot 12 and continuing along the Northeasterly line of lots 11 to 5 inclusive, as shown on said map, North 78 degrees 49 minutes West, 159.27 feet and North 27 degrees 49 Minutes West, 25.73 feet (the bearing of the Northeasterly line of said lot 12 being taken as North 78 degrees 49 minutes West for the purpose of making this description) to an intersection thereof with the Northeasterly line of that certain Right of Way 20 feet in width heretofore conveyed to the County of Alameda by deed hereinafter mentioned; thence along the Northeasterly line of said 20 foot Right of Way, South 78 degrees 49 minutes East, 177.12 feet to an intersection thereof with the direct production Northeasterly of the line dividing lots 12 and 13 in Block E as shown on the aforesaid map; thence along last said line so drawn, South 15 degrees 54 minutes West, 20.07 feet to the point of Commencement.

BEING a portion of that certain right of way 20 feet in width heretofore conveyed by the Central Pacific Railway Company (a corporation) to the County of Alameda by deed dated May 3, 1916 and Recorded in Liber 2745 of Deeds at page 308 thereof, Records of Alameda County, California.

DATED; this 25th day of March, 1930.

BY ORDER OF THE BOARD OF SUPERVISORS OF THE COUNTY OF ALAMEDA, STATE OF CALIFORNIA.

GEO. E. GROSS,
County Clerk and ex-officio Clerk of the Board of Supervisors of the County of Alameda, State of California.

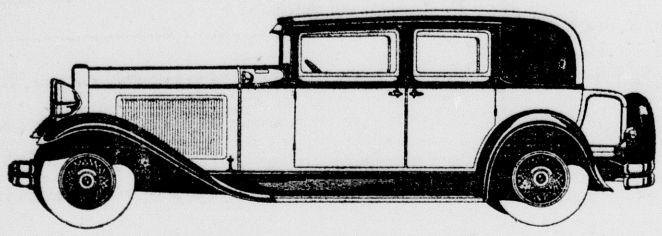
The Car you've always Wanted to own

EIGHTS and SIXES



Even the average motor car budget today buys an out-of-the-average motor car — the Nash "400."

Here is the kind of a car you've always hoped to own — one that will convince you and everyone who rides in it that money can buy nothing finer.

It is built differently from most cars, enriched in design by the newest and finest engineering excellence, and built in the three great Nash factories where the highest ideals of craftsmanship prevail.

Here are the most advanced type of precision machines and methods so that Nash craftsmen may build for superior accuracy and quality.

Note These Outstanding Nash Features

Centralized chassis lubrication, built-in, automatic radiator shutters, and the world's easiest steering in every model. Adjustable front seats. Steel spring covers with lifetime spring lubrication in the Twin-Ignition Eight and Twin-Ignition Six lines. The priceless protection at no extra cost of Duplate, non-shatterable plate glass in all doors, windows, and windshields thruout the Twin-Ignition Eight line. This glass is also available at slight extra cost in all other Nash cars.

30 Models Ranging in Price from $935 to $2385, f. o. b. factory

MORE ON

Washington Track Team

(Continued from Page One)

names of the ball players: Reuben Ferry, Harold Feria, Manuel Fontes, Clarence Pine, Roy Goularte, Manuel Ameral, Manuel Brown, Tom Kitashima, Clarence Soito, Ernest Garcia, and Edward LeBon.

On Friday, April 4, the Washington ball team played at Richmond High school, and won the game by a score of 7-2. Reuben Ferry was star player of the game, and pitched one of the best games of the season. Sixteen men were struck out, and only two men were allowed hits. His form of pitching is considered excellent, and the season for baseball promises to be fair for Washington as long as Ferry is in the pitcher's box.

Band Transportation.

At the present time $400.00 has been raised to aid in paying the transportation and necessary expenses of the Washington Union High school band to the state competition at Sacramento, to take place on April 26. It is estimated that $1,000 is absolutely necessary to send the boys, and all towns in Washington township are making an effort to raise their quotas.

To assist in acquiring this amount a group of Newark people, former high school students, and other citizens, are to present a two act comedy sketch at the High school auditorium on April 21. Name of the play is "His Butler's Wife." Cast of players and their roles are as follows:

Burt ..... James Collins
Frank ..... Lloyd Hygelund
Elsie ..... Louise Yockey
Betty, a private secretary ..... Aileen Steinhoff
Father ..... Louis Ruschin, Jr.
Katheleen ..... Elizabeth Laudenschlager
Peggy ..... Barbara Laudenschlager
Fred ..... Hugh Steinhoff

A record crowd is expected, for the players in this comedy, and the quality of their acting, are quite well known.

Senior Class Play.

On the evening of May 23 the Senior class play will be presented. Many beautifully seductive, winsome maidens, and a score of gayly intriguing Spanish caballeros will make the play a pleasantly diverting pastime.

Early days of California, with the lure of old Mission gardens, the toll of far-away bells, will be brought back to us again as we watch the plot of "In a Mission Garden" unfold under the careful and skillful direction of Miss Aubrey Nicely, English instructor at Washington Union High school, as she supervises the acting of the group of student players she is now coaching for their roles behind the footlights.

This play was written by Millis Coverly, and touches a great deal the subject of well known Mission San Jose, in our township. Many should find this interesting, if for nothing else than its historic information, of much educational value.

New Gymnasium.

Twenty-two bids were submitted by building contractors in an attempt to obtain the work of constructing a new gymnasium which is to be erected on the grounds of Washington Union High school. The difference in amounts between the lowest and highest bids was $16,300, and is much lower than Burge Clark, architect who planned the building, estimated. Due to the lack of construction work at present it was possible for contractors to make unusually low bids; making it cheaper for taxpayers, who are to pay for the building.

A meeting was held Tuesday night, and George Peterson, of San Leandro, was awarded the contract. Construction will begin at an early date. The building is to cover a space consisting of 16,000 square feet, and will replace a temporary building now used by the girls as a shower house, and also the boys' locker and shower house, which is in one end of the auto mechanics shop. Thus far Washington Union High school has been unable to give visiting teams proper attention or conveniences due to the crowded conditions existing. A real gymnasium will do away with this situation and make it possible to give the students as well as visiting athletes treatment necessary in daily school work and athletic pursuits.
